Dear Visitor,

We are pleased to welcome you to our company. Safety is a top priority at AMAZONE. We would like to acquaint you with the most important safety rules for visitors, in order to ensure your safety. Please follow these rules!

Safety rules for visitors

Every visitor must report to reception before entering and before leaving the premises. Visitors are only allowed on our premises if accompanied by an AMAZONE employee. Visitors must follow all instructions of the employee.

Safety rules during a factory tour

Do not leave the group and stay within sight and earshot of the AMAZONE employee accompanying you or your guide.

Please note that participants in the factory tour must be at least 14 years old for insurance purposes.

Please make sure that you wear sturdy shoes during a factory tour.

High-visibility vests must be worn in production buildings!

Caution forklift traffic.
Please stay on the marked routes.
