Weight of the base machine (kg)	1,710	1,965	2,144	1,990	2,320	2,465	1,650	1,910	2,120	1,900	2,220	2,490

Illustrations, content and technical data are not binding and may differ depending on the level of equipment. Country-specific road traffic regulations apply and must be complied with, meaning that special approval may be required. The permissible axle loads and total weights of the tractor should be checked. Not all the listed combination options are possible with all tractor manufacturers.
